Republican Centre for Technology Transfer

PROMOTION OF COOPERATION
BETWEEN DEVELOPERS,
ENTREPRENEURS
AND INVESTORS

The Republican Centre for Technology Transfer (RCTT) was founded in May 2003, under the aegis of the **State Committee on Science and Technology of the Republic of Belarus (SCST)**, the **National Academy of Sciences of Belarus**, the **United Nations Development Programme (UNDP)** and the **United Nations Industrial Development Organization (UNIDO)**.

ICC

WIPO
TISC

www.ictt.by

RCTT's mission is to promote cooperation between developers, entrepreneurs and investors.

Tasks set for RCTT:

- create and maintain information data bases used to serve clients in the technology transfer sector
- provide RCTT's clients access to foreign technology transfer networks
- assist innovation activity agents in development and promotion of their innovation and investment projects

Tasks set for RCTT:

- instruct and train specialists in research- and innovation-related entrepreneurship
- establish RCTT's offices across the country to create a unified national network of technology transfer centres
- promote international technical and scientific cooperation and exchange of experts.

RCTT's structure

RCTT is a consortium that includes:

- headquarters in Minsk
- 5 regional and 30 branch offices at research organizations, institutes, universities and enterprises
- 2 overseas field offices in China.
